1. Call Aim

Centro Ceibal para el Apoyo a la Educación de la Niñez y la Adolescencia calls for an International Open Tender for the acquisition of programmable **Micro:bit V2** devices. The offer must be submitted according to the specifications in section 3.

The products to be quoted in this call are:

- Micro:bit V2 Go Pack
- Micro:bit V2 Club Box

2. Products to quote

Mandatory

The bidder must quote at least one of the following options and each one separately:

A) Micro:bit V2 Go Pack: Pack that includes a micro: bit V2 board, a battery holder, a pair of batteries and a USB cable

B) Micro:bit V2 Club Box: Club Box including ten micro: bits V2 boards, ten battery holders and ten pairs of batteries and ten USB cables

3. Presentation of Offers

The bidder must present a background as a supplier and complete samples of the quoted products (unless the supplier has previously supplied this product).

1. Folder with background of the bidder: It must be detailed the provision background of micro: bits of similar consumption in the last 24 months.

2. Sample of quoted products:

At the time of bid submission or within 10 business days of the bid opening date (include shipping tracking along with the bid) 10 Micro:bit V2 Go Pack and 1 Micro:bit V2 Club Box are requested with its respective primary and secondary packaging including accessories, as the delivery of the product is expected.

In exceptional cases and when there are justified reasons in Ceibal's opinion, the bidder may defer the delivery of samples for a reasonable period that Ceibal will evaluate.

For the delivery of samples, they must be delivered to Proveduría de Ceibal (Av Italia 6201, Predio LATU, Los Ceibos building, CP 11500). The hours of attention to the public are from Monday to Friday, from 09:00 a.m. to 4.30 p.m. In case of not being able to come during these hours, we request to coordinate previously with Ceibal to the email almacenes@ceibal.edu.uy, the day and time for the delivery of the samples.

You must complete your offers and specify the delivery time for each range proposed according with the quotation table for each product. Partial deliveries are allowed.

4. Guarantee

The bidder will guarantee that the products supplied under the contract are new, complete, unused and free from defects attributable to design, materials, manufacture, storage conditions (packaging, appropriate temperature and humidity), shipment or any other act or omission of the bidder that could manifest itself during the normal use of the products under the prevailing conditions in the country.

The bidder must indicate the guarantee period for the products offered, said period may not be less than 6 months from arrival.

5. Term and delivery conditions

5.1 Delivery Terms

Desirable delivery:

- **Micro:bit V2 Go Pack** with ETA Montevideo 90 days after the purchase order was issued.
- **Micro:bit V2 Club Box** with ETA Montevideo 90 days after the purchase order was issued.

Said deadlines are adjusted to the schedule of the Uruguayan school year and to the delivery plan.

In the event of not being able to comply with these maximum desirable terms, the bidder must specify the delivery terms in his offer.

Centro Ceibal may request to adjust the arrival schedule with the awarded provider.

5.2 Delivery Conditions

In all cases, the Micro:bit V2 board must have the latest available firmware version installed at the time of shipment and follow Uruguay-specific electronic security labeling standards. The supplier must previously consult the approval of Centro Ceibal for any modification in the packing of the samples presented.

Ceibal will carry out batch controls once the merchandise arrives prior to the acceptance of the products.
