This concept also requires a tight overall weighting, taking into account, among other factors, technical aspects, company's background, delivery times, etc.

Centro Ceibal reserves the right to negotiate the conditions of the offer with those that it deems most convenient to its interests, without this resulting in any claim on the part of the other bidders.

The members of the Specialist Teams will make a joint final report identifying the eligible offers and establishing an order of preference among them; and prior to being submitted to the consideration of the Board of Directors of Centro Ceibal, a hearing will be given of the bidding companies for a period of 5 working days from the first day following the notification. Within this period of time, the bidders may formulate in writing the considerations that merit the procedure performed up to that moment. It is not necessary to wait for the expiration of said term to award, if the bidders state in writing that they have no considerations to make.

4.4. Award:

CENTRO CEIBAL reserves the right to award the tender to the offer or offers that it considers most convenient for its interests and the needs of the service, being able to depart from the report and recommendation of the Specialist Teams for well-founded reasons, not being obliged to make the award in favor of the lowest price offer or the best technical offer, being able to cancel the purchase if it understands that there are considerations of merit or convenience that justify it, even without expression of cause or responsibility as indicated in point 2.9 of this Statement.

In this context, it is empowered to:

- award the tender to the bidder who meets the best conditions.
- not award any bid or any item.
- divide the award.
- award a lower amount to the bidder.
- consider as a preponderant aspect to reject an offer, the background of the bidders related to the commercial conduct assumed in the fulfillment of contracts with them and, with other state agencies.

The communication sent to the awarded offer (to the e-mail reported), will constitute the confirmation of the award of the bid. The award resolution, the present Specifications, and the proposal of the bidder shall constitute the contract between the parties, until the respective contract is signed. If there is a conflict between the provisions of the award resolution, the Specifications and the Company Proposal, the first two documents shall prevail; at any stage of the present contest.

4.2. Constitution of Guarantee:

Within 20 calendar days following the communication of the award, Centro Ceibal will require the selected bidder to provide a guarantee of faithful compliance with the contract, equivalent to 5% of the award. In the case of a foreign bank or insurer, it must have representation in Uruguay or be accepted by a local banking / insurance institution. Likewise, if the guarantee is issued by a banking or insurance institution, the constitutive document must contain a clause that establishes that said guarantee can only be released after written communication from Centro Ceibal.

If the guarantee is not constituted in the manner and term indicated, Centro Ceibal may annul the award, and reconsider the study of the call to the exclusion of the bidder awarded in the first instance.

The guarantee of faithful fulfillment of the contract may be executed in the event that the successful bidder does not comply with the contractual obligations and will be returned once the fulfillment of all the contractual obligations by the awarded company has been accredited.

4.3. Contract Signing:

The successful bidder must appear to sign the contract within 10 business days from the day following the notification to appear for these purposes. In the case of foreign companies, and for the purposes of signing the contract and for any litigation that may arise, Centro Ceibal may require the awarded bidder (s) (who are not domiciled in Uruguay) to appoint a legal representative with address in Uruguay for the purposes of notifications.

CENTRO CEIBAL assumes the same obligation with the obligation classified as confidential by the Awardee.

4.5. Sanctions:

The conducts that configure breach of the Awardee, may give merit to the imposition of the following sanctions:

In the case of the acquisition of products, in the event that the selected supplier falls behind in the quantities and delivery terms agreed, and unless something different has been provided in the Technical Specifications, or the parties have agreed to something different in the contract, it may be sanctioned with a fine equivalent to 5% of the value of the supply that should have been delivered. The fine will be applied from the business day following the expiration of the delivery period. For each additional week of delay, the fine will increase by 1.5%. After the 30 calendar days of delay, without the supplier having delivered the acquired equipment, it will be grounds for termination of the contract. In the event of the application of fines, CENTRO CEIBAL is empowered to withhold the amount of the sums that the Awardee would have to receive.

In the aforementioned case, CENTRO CEIBAL may rescind the contract, and claim the damages caused by said breach plus the corresponding fine.

4.6. Competent Jurisdiction:

The jurisdiction with respect to any interpretation or elucidation of disputes that may arise from the tender or the contract, shall be under the jurisdiction of the Courts of the city of Montevideo, of República Oriental del Uruguay, in accordance with the provisions in force in Uruguay.

4.7. Non-exclusivity:

The commercial relationship generated between CENTRO CEIBAL and the awarded bidder (s) shall be non-exclusive, and CENTRO CEIBAL may enter into agreements with third parties whose terms and services are similar or equivalent.

4.8. Contract extensions:

Centro Ceibal reserves the right to extend the amount awarded in equal or better commercial terms, or in more advantageous terms than those resulting from the awarded bid, through i) extension or ii) short list competitive process. In case of opting for the latter, the short list will consist of the bidders that have submitted the product in accordance with the requirements of the Specifications.

4.9. Arrears:

The awarded supplier will fall into default as of right without the need for judicial or extrajudicial management or interpellation of any kind due to the expiration of the terms and conditions agreed, for the performance of any act or fact that translates into doing or not doing something contrary to what is established in the commercial relationship.
